Red Herring Reopens

Mission: Red Herring nourishes radical community with locally grown art and food

Core Values:

1. Nourishing community through local food
2. Supporting local artists and musicians
3. Bridging the university and larger community
4. Caring for the health and sustainability of our workers and ecosystems

Bucket Brigade Transforms

BB shifts from crisis mode to sustainability!

focusing on being the connection point to integrate more garden local/fresh foods into the food pantry economy

Also moving from big household deliveries (necessary during quarantine) to smaller emergency deliveries for people experiencing housing insecurity

3 YEARS OF BUCKET BRIGADE
