

CHANNING-MURRAY FOUNDATION
PARKING CONTRACT

Contract/Agreement: Your parking payment indicates acceptance of all terms and conditions as described below.

I understand that I am renting a parking space for one semester, from the first day of school to the week after graduation weekend for the hours of **7am-6pm, Monday through Friday**. (ONLY those who have paid for the 24hr spots can be in the lot overnight/weekends.) I understand that I can park only one vehicle at a time in the lot. I understand that if I have more than one vehicle parked in the lot at any given time, **additional vehicles are subject to tow**. I understand that I must register all vehicles with the office. **Unregistered vehicles are subject to tow**. I understand that payment for this parking spot is **non-refundable**.

I understand that **if all rental spaces are full**, I need to **immediately notify the office** at 217.344.1176 (leave a message with your license plate number if no one is available). **I understand that I do not have the authority to call towing on my own. I waive any rights to call towing to the Channing-Murray lot for the purpose of removing unauthorized cars. The Channing-Murray Foundation holds that right alone.**

I also understand that I park my vehicle in this facility **at my own risk**, and that neither the Channing-Murray Foundation nor any of its affiliates or agents will be responsible for any damages that may be incurred by my vehicle(s) while making use of this facility.

By paying the parking fee in full I agree to the above terms.
